ARKADOS ADDRESSES 2007 UPLC WINTER CONFERENCE

LAS VEGAS, NV, February 27, 2007 – Arkados (OTC BB: AKDS), known as “the HomePlug® Applications Company,” will be addressing an audience of high-level executives at the 2007 Winter Conference of the United Power Line Council. The conference will be held today through Friday, March 2nd at the Red Rock Casino, Resort, & Spa in Las Vegas, Nevada.

Arkados will be presenting at a pre-conference workshop called “BPL 101, Smart-Grid Applications and In-building BPL” from 1PM to 5PM on Tuesday, February 27th, and in a session called “Business Drivers for BPL” 11:00 AM-12:30 PM on Wednesday, February 28th.

The United Power Line Council (UPLC) is an alliance of electric utilities and technology companies working together to drive the development of Broadband over Power Line (BPL) in a manner that helps utilities and their partners succeed.

About Arkados, Inc.

Arkados, “the HomePlug Applications Company,” delivers a universal platform that enables the effortless networking of home entertainment and computer devices using standard electricity lines. The company’s system-on-chip solutions are uniquely designed to drive a wide variety of powerline-enabled consumer electronics and home computing products, such as stereos, radios, speakers, MP3 players, computers, televisions, gaming consoles, security cameras and cable and DSL modems. Arkados customers can bring numerous sophisticated, full-featured products to market faster at a lower overall development cost using a single platform: the company’s versatile and programmable ArkTIC™ platform. Arkados solutions leverage the benefits of HomePlug Powerline Alliance specifications and can also be used for in-building and to-the-home (BPL) applications. Arkados™, ArkTIC™ and Direct to Speaker™ are trademarks of Arkados Inc., a wholly owned subsidiary of the Arkados Group, Inc. HomePlug is a registered trademark of the HomePlug Powerline Alliance, of which Arkados is a member. More information can be found at www.arkados.com.

This release includes “forward-looking statements” within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934 that are based upon assumptions that in the future may prove not to have been accurate and are subject to significant risks and uncertainties, including statements as to the future performance of the company and the risks and uncertainties detailed from time to time in reports filed by the company with the Securities and Exchange Commission. Although the company believes that the expectations reflected in its forward-looking statements are reasonable, it can give no assurance that such expectations or any of its forward-looking statements will prove to be correct. Factors that could cause results to differ include, but are not limited to, successful performance of internal plans, product development acceptance, and the impact of competitive services and pricing and general economic risks and uncertainties.
