**ARKADOS NAMES BARBARA KANE-BURKE AS CFO**

**PISCATAWAY, NJ, April 24, 2007** -- Arkados (OTC BB: AKDS), known as “the HomePlug® Applications Company,” named Barbara Kane-Burke as Chief Financial Officer, succeeding Kirk Warshaw, who served as CFO on a part-time basis since May 2004. Ms. Kane-Burke served as Arkados’ VP of Finance and Controller since December 2006.

Kane-Burke, age 53, has 29 years of experience in corporate finance positions in the semiconductor and pharmaceutical industries. Before joining Arkados on a full-time basis in January 2007, she served as the Corporate Controller for Pharmos Corp, a NASDAQ traded biopharmaceutical company. From August 2004 to January 2007, she was instrumental in designing and implementing Sarbanes-Oxley compliance at Pharmos along with improved operational reporting. She served as Chief Financial Officer and Treasurer of Whitewing Environmental Corp. from January 2003 to January 2004. Between 1978 and 2001, Ms. Kane-Burke was with Hoechst Celanese/Clariant where she served as Controller for a business unit supplying raw materials to the semiconductor industry. Ms. Kane-Burke earned an MBA in Accounting and Taxation from Fairleigh Dickinson University and a B.A. in Education from East Stroudsburg University.

As Arkados’ VP of Finance and Controller, Ms. Kane-Burke was responsible for all of Arkados’ accounting, tax compliance, financial aspects of acquisition planning, establishing and maintaining of banking relationships, and all other financial and treasury functions. As Chief Financial Officer, she will be also responsible for external reporting, financial investor relations and compliance.

“Barbara’s financial and administrative experience will be invaluable to Arkados as we grow from a development company to providing commercial quantities of semiconductors for powerline networking and AV solutions. We are extremely grateful for Kirk Warshaw’s financial stewardship during the period from the acquisition of key technology to the development of commercial products, and wish him the best in his other endeavors” said Oleg Logvinov, CEO of Arkados.

**About Arkados, Inc.**

Arkados, "the HomePlug Applications Company," delivers a universal platform that enables networking of home entertainment and computer devices using standard electricity lines. The company's system-on-chip solutions are uniquely designed to drive a wide variety of powerline-enabled consumer electronics and home computing products, such as stereos, radios, speakers, MP3 players, computers, televisions, gaming consoles, security cameras and cable and DSL modems. Arkados customers can bring numerous sophisticated, full-featured products to market faster at a lower overall development cost using a single platform: the company's versatile and programmable ArkTIC™ platform. Arkados solutions leverage the benefits of HomePlug Powerline Alliance specifications and can also be used for in-building and to-the-home (BPL) applications. Arkados™, ArkTIC™ and Direct to Speaker™ are trademarks of Arkados Inc., a wholly owned subsidiary of the Arkados Group, Inc. HomePlug® is a registered trademark of the HomePlug Powerline Alliance, of which Arkados is a member. More information can be found at [www.arkados.com](http://www.arkados.com).
