

**CDK's ARKADOS, INC. TO DEMONSTRATE STRENGTH OF POWERLINE
COMMUNICATIONS AT SMALL CAP EXPO**

Chipmaker to Focus on Market Growth of Networked Entertainment Applications

NORTH PLAINFIELD, NJ, September 8, 2004 – CDKnet.com, Inc. (OTCBB: CDKN.OB) announced that its Arkados Inc. subsidiary will showcase solutions for using power lines as a conduit to send digital entertainment – such as digital audio and video – throughout a home. Arkados will be exhibiting at the Small Cap Stock Expo, to be held September 9th at the Warwick Hotel in New York City.

The Small Cap Stock Expo is a semi-annual event that brings together brokers, analysts and market makers with fast-growing companies. To register, see <http://www.smallcapexpo.com>.

About Arkados

Arkados Inc., based in North Plainfield, N.J., is a wholly-owned subsidiary of CDKNet.com Inc. A home networking and broadband powerline communications company, Arkados' powerline solutions enable high-speed digital transmission of voice, video, and data over the existing powerline infrastructure. Arkados' highly integrated semiconductors are targeted for the home networking and broadband communications markets with a focus on application support.

Using advanced design methodologies, Arkados is developing semiconductors that incorporate both standards-based and proprietary technologies. Arkados' designs for next-generation home-networking products incorporate diverse functionality with a focus on the cost-effectiveness of final solutions, and are intended to get products to market quickly. Arkados' solutions support a rapid development environment through robust support of industry-standard Operating Systems and APIs, as well as comprehensive design documentation, software, training, and certification assistance. Arkados is a member of HomePlug Powerline Alliance (www.homeplug.org). For more information on Arkados, visit www.arkados.com.
