

**ARKADOS INC. PRESENTS AT INTERNATIONAL POWERLINE
COMMUNICATION CONFERENCE IN CHINA**

***Arkados Represents the HomePlug Powerline Alliance; Conference explores
commercialization of broadband powerline technologies***

NORTH PLAINFIELD, NJ, October 13, 2004 – CDKnet.com, Inc. (OTCBB: CDKN.OB) announced that its subsidiary Arkados Inc. will represent the HomePlug Powerline Alliance in an address to industry professionals at the China International PLC Technology & Application Conference held in Shenzhen, China on October 14th and 15th.

The conference organizers expect to explore the roadmap for the commercialization of powerline technology, and delve into pragmatic development strategies for its commercialization in China.

Arkados is a supplier of solutions for powerline communications markets, and serves on the Board of Directors of the HomePlug Powerline Alliance.

About Arkados

Arkados Inc., based in North Plainfield, N.J., is a wholly-owned subsidiary of CDKNet.com Inc. A home networking and broadband powerline communications company, Arkados' powerline solutions enable high-speed digital transmission of voice, video, and data over the existing powerline infrastructure. Arkados' highly integrated semiconductors are targeted for the home networking and broadband communications markets with a focus on application support.

Using advanced design methodologies, Arkados is developing semiconductors that incorporate both standards-based and proprietary technologies. Arkados' designs for next-generation home-networking products incorporate diverse functionality with a focus on the cost-effectiveness of final solutions, and are intended to get products to market quickly. Arkados' solutions support a rapid development environment through robust support of industry-standard Operating Systems and APIs, as well as comprehensive design documentation, software, training, and certification assistance. Arkados is a member of HomePlug Powerline Alliance (www.homeplug.org). For more information on Arkados, visit www.arkados.com.
